The 5 ways to wellbeing...

Connect...

With the people around you. With family, friends, colleagues and neighbours. At home, work, school or in your local community.

keep Learning...

Try something new. Rediscover an old interest. Sign up for that course. Learning new things will make you more confident as well as being fun.

be Active...

Go for a walk or run. Step outside. Play a game. Most importantly, discover a physical activity you enjoy and that suits your level of mobility and fitness.

take Notice...

Be curious. Catch sight of the beautiful. Remark on the unusual. Notice the changing seasons. Savour the moment. Reflecting on your experiences will help you appreciate what matters to you.

Give...

Do something nice for a friend or stranger. Thank someone. Smile. Volunteer your time. Seeing yourself, as linked to the wider community can be incredibly rewarding and creates connections with the people around you.
